

ASTRONERGY

## Declaration

To our valued customer,

We, Chint Solar (Zhejiang) Co.,Ltd., hereinafter: Astronergy

Astronergy will offer to cover the labour cost as a payment/credit note of AUD\$180 for the replacement of the first PV panel and with additional AUD\$30 for any additional PV panel within the same system, this is based on an approved warranty claim.

For this reimbursement, only applies to each individual site and/or per job basis for the Australian market only.

This reimbursement program only applies to any deemed to faulty PV modules that are in line with "Astronergy Limited Warranty for Crystalline PV Modules" terms and conditions, which requires to be processing through our warranty claims.

This agreement will be commencing from 1<sup>st</sup> January 2019, which including all the claims on or after the commencement date, subject to change with written notices and/or withdrawn the program within an acceptable time manner.

Best Regards,

Shengyong Zhou

Quality director
